

JNJ KING LLC

Building dependable businesses. Delivering practical solutions.

Texas-based operating company supporting commercial and government opportunities through specialized property-service and freight-infrastructure divisions.

COMPANY SNAPSHOT

Established 2021

Texas-based | Serving statewide

Privately held · JNJ KING LLC

COMPANY OVERVIEW

JNJ KING LLC develops and operates service-based businesses created to meet practical property and infrastructure needs. Each division maintains its own service focus while operating under shared standards for accountability, responsiveness, quality and organized execution.

ESTABLISHED CAPABILITIES · KING QUALITY CLEANS

- Student-housing move-out and turnover cleaning
- Interior repainting, touch-ups and drywall-related turnover support
- Carpet cleaning, steam cleaning and deodorizing
- On-site coordination and daily inspection sign-offs
- Quality inspections, photo documentation and project reporting
- Schedule-driven execution for high-volume student-housing turns

RELEVANT PERFORMANCE

Completed coordinated turnover services for more than 400 student-housing beds in Texas, including cleaning, painting and carpet-cleaning scopes supported by on-site coordination, inspections and reporting.

DEVELOPING DIVISION · KING FREIGHT ASSETS

King Freight Assets is developing secure truck and commercial vehicle parking solutions for owner-operators, fleets, contractors, road crews and other commercial users. Initial development is focused on high-demand freight corridors in the Greater Houston area. Parking operations are not yet available.

WHY JNJ KING

- Clear ownership and a single point of accountability
- Responsive communication and practical problem-solving
- Documented quality control and transparent project reporting
- Flexible coordination for commercial, subcontracting and teaming opportunities
